

Old Hickory Gun Club Presents the Pig Pickin Open Skeet Shoot 8-10 April 2022

General Information

This shoot is a registered tournament and will be conducted according to the current NSSA rules. It is not necessary to be a member of an organized skeet team to participate in this event. First time members and registered target shooters are welcome and a free NSSA membership will be provided to new shooters at the time of registration. The shoot will be officiated by experienced licensed referees. All events will be shot by the rotation system. Shooters are urged to pre-register in desired rotations as soon as possible. Entries will be closed when club management feels it has sufficient number of shooters. Mixed squads will be the option of the management. Entrants must state their **CONCURRENT EVENT** entry at the time of registration. Teams will not be required to shoot on same squad. Each squad will appear at their designated field when the previous squad begins to shoot last doubles. A squad or shooter not on the field when called will be dropped to the bottom of entry list.

Ties for Gun Championship, Runner-up and Third in all main events, Class Places 1-3, and Concurrent Champion will be decided by shoot-offs. All shoot-offs will be doubles from stations 3, 4, & 5, miss and out by station. Shoot-offs will take precedence over long runs.

Shooters need to bring ammo. Reloads are permitted subject to inspection. Shoot-off shells must be furnished by the shooter. Empty shells become the club property once they hit the ground. Practice rounds are \$4.00 per round.

It's the shooter's responsibility to verify scoreboard accuracy for both classes and scores. Spectators and competitors assume all risks resulting from accident or loss of property occurring on the club grounds. Management reserves the right to accept or reject any entry.
